Hampshire Direct Cremations Funeral Plans

A funeral plan provides complete peace of mind, allowing you to lock in today's Funeral Directors prices for future services.

We trust Golden Charter Funeral Plans, the UK's leading independent provider, to offer reliable and flexible options to Hampshire Direct Cremations.

By choosing a funeral plan, you can arrange the funeral you want in advance, outlining your preferences while covering the cost of the funeral director's services included in the plan. Many of our customers find that this brings comfort and reassurance to them and their loved ones.

With a Golden Charter plan, you'll also benefit from an allowance towards third-party costs - essential services like a cremation that are not directly provided by the funeral director.
